## Job Vacancy Announcement

### Full-Time Physics Instructor

#### Job Description:

UA - Pulaski Technical College in North Little Rock is accepting applications for a Full-Time Faculty Position in Physics. This position requires a commitment to teaching in a dynamic community college setting with the ability to successfully interact and respond to the broad ranging needs of an academically and culturally diverse campus setting. The successful candidate will join our team in Fall 2017. Full-time faculty are professionals with the responsibility of providing a quality learning experience for UA - Pulaski Technical College students. Faculty perform instruction-related duties and responsibilities in a timely manner and in accordance with the mission, policies and procedures of the college. The relationship of the faculty member to the student is one of teacher and facilitator of learning. The position requires teaching 15 credit hours at the undergraduate level per semester. Other responsibilities of this position include:

- Actively and consistently participate in orientations and professional development workshops.
- Establish and maintain positive, collaborative working relationships with students, colleagues and staff.
- Demonstrate a willingness to use contemporary educational techniques and technology.
- Utilize syllabus, timeline of class curriculum and other information to present information in a timely manner for the success of students.
- Arrange for the acquisition and preparation of appropriate materials and equipment in a timely manner necessary to meet course objectives.
- Provide prompt and accurate records of assessments and final grade reports.
- Provide prompt and friendly responses to student emails and inquiries as needed.

#### Minimum qualifications:

A Master's Degree in Physics or a graduate degree with 18 graduate hours in the Physics discipline is required. Candidates must be available to teach day, evening and online classes. The successful candidate will possess the competence and experience to develop, revise, implement and assess curriculum to ensure that students are acquiring necessary skills, including familiarity with technology used in classroom settings. Candidates must possess a thorough knowledge of the Physics field, a commitment to high academic standards, a dedication to student success, and excellent written, oral communication and interpersonal skills.

**Preferred qualifications:**

Preference will be given to candidates who are able to provide evidence or show potential for effective teaching and demonstrate an ability to work with diverse populations.

**DEADLINE:**

Until Filled

**APPLICATION PROCEDURES:**

Interested candidates should submit a UA - Pulaski Technical College employment application, cover letter, resume and copies of unofficial transcripts to UA - Pulaski Technical College, Office of Human Resources, 3000 West Scenic Drive, North Little Rock, Arkansas 72118.
